Dear Parents,

Warm greetings, for the next/one and half months, you will spend the vacation with them.

Let's share some tips to make this period a fruitful and happy period for them.

- * Have atleast two meals together with your children. Teach them the importance and hard work of the farmers and ask them not to waste their food.
- * Let them wash their own plates after every meal. Children learn dignity of labour from such activities.
- * Allow them to help you in cooking. Let them make their own vegetable and fruit salad.
- * Learn 3 new words in English everyday. Help them to make sentences using these words & list them in a note book.
- * Visit 3 neighbours. Know more about them and build a rapport with them.
- * Visit the grandparents and let your children bond with them. Their love and emotional support is very important for your child. Click snaps with them.
- * Take them to your workspot and let your child understand that you work very hard to support the family.
- * Gently encourage your child to raise a kitchen garden by planting seeds. Knowledge about plants and trees are an integral part of your child's growing up.
